P.A. REQUIREMENTS:

The FOH Mixing console should be a pro line unit (PreSonus, Behringer X32 ,Allen Heath, Yamaha etc.) or equivalent* with at least (24) channels, six (6) separate monitor mixes with wedge monitors as needed, and professional (Rane, Ashley, or equivalent) effects (i.e. reverb, delay, equalization and dynamic processors).

The configuration of speakers and amplification will vary depending on the room size and certain conditions such as indoor/outdoor venues etc; however, the system must be such to comfortably cover the venue and represent DREAMS in a professional manner.

It will be necessary for the buyer to discuss P.A. requirements with DREAMS in advance of proceeding to the contract phase. Please refer to the attached stage plot for input list.

Monitors:

Dreams-Crystal Visions of Fleetwood Mac will need 5 Monitor Mixes :

1. Lead Vocal
2. Bass
3. Guitar 1 (In ears)
4. Drums
5. Keyboards

Lighting:

16 PAR 56 with 500-watt bulbs or LED equivalent
16-channel Lighting Console with experienced operator

ELECTRICAL POWER REQUIREMENTS:

Venue must ensure that there is sufficient electrical power being supplied to the venue in order to sustain the sound and lighting systems throughout the performance. For backline, we will require 2-20 amp drops available at stage right (behind the guitar amps) and 2-20 amp drops at stage left (behind the bass and keyboard amps).

In the event that Dreams-Crystal Visions of Fleetwood Mac is providing front of house sound, an additional 20 amp circuit will be required.

Note: If this minimum requirement is not met and leads to interruption and/or discontinuation of the performance, this will be deemed as a breach of contract and payment in full will still be due.

HOSPITALITY:

- Minimum 5 Single rooms, (National Chain – Marriott, Sheraton, Hilton, Holiday inn, or equivalent*)
- Meals as appropriate for Band members (5) and crew (3).
- CLEAN DRESSING ROOM AREA W/MIRROR, (To be set up prior to agreed load-in time) to accommodate 10 people comfortably and provide privacy for changing clothes.
- Private Bathroom
- Fresh Towels
- 1 Case bottled water and assorted refreshments (Fruit Juice, Coke, Diet Coke, Sprite, Gatorade etc.)
- When applicable, transportation between airport and hotel / hotel and venue, will be provided by purchaser.

Please note that Dreams-Crystal Visions of Fleetwood Mac Show has a run time of approximately 90 to 100 minutes, plus encores.

(Total run time approximately 2 hours max.)

For venues that can facilitate 2 shows in one evening, the total run time for each show will be approximately 1 hour, plus encores.

(Total run time approximately 75 minutes max.)

This is in the best interest of providing your audience with a faithful and entertaining "Concert Experience".

The above list is subject to negotiation
and will vary with travel required.
